### SICHERHEITS- UND PFLEGEHINWEISE

Kontrollieren Sie die Verbindungen regelmäßig auf ihre Festigkeit. Flecken und Flüssigkeiten sollten umgehend mit einem Tuch entfernt werden. Fingerabdrücke entfernen Sie am besten mit einem feuchten Fensterleder und trocknen mit einem Staubtuch nach. Für die Pflege zwischen- durch genügt ein Staubtuch.

### SAFETY AND CARE INSTRUCTIONS

Regularly check the connections for tightness. Stains and fluids should be immediately removed with a cloth. Fingerprints are best removed with a damp chamois and dried with a dust cloth. For quick care a dust cloth is sufficient.

### CONSIGNES DE SÉCURITÉ ET D'ENTRETIEN

Vérifiez régulièrement la solidité des connexions. Essuyez sans attendre toute tâche et dépôt liquide à l'aide d'un chiffon. Éliminez de préférence les traces de doigts à l'aide d'une peau de chamois, puis séchez avec un chiffon à poussière. Pour l'entretien régulier, un chiffon à poussière suffit.

Comprueba con regularidad que las conexiones se encuentran bien fijadas. Retira de inmediato las manchas y los líquidos con la ayuda de un paño. Para el cuidado diario basta el uso de un trapo convencional para el polvo.
